

Eastern Counties NA Vice Chair Report

First of all, thank you for allowing me to be of service to Eastern Counties, this last month I was able to attend the Memorial day Bingo event as well as the Picnic at the park seems like it was great turn out I personally enjoyed both events. I was able to meet with both Activities and PR. Activities is planning our next event which is the Beach Bash. PR continues to work on upcoming events. I was unable to meet with H&I. I would personally like to thank Eastern Counties Activities, PR, H&I and Literature as well as all GSR's for all that you guys do. We also attempted our audit of Eastern Counties we had a small turn out and decided to go back 2 years we had a couple of issues and were unable to move forward with that audit one issue being getting new people on this board onto the Eastern Counties bank account in order to obtain bank statements which would allow us to continue with our audit. We will be working on getting that worked out this upcoming month. Will keep you guys informed on our next attempt of this important matter. I would also like to ask to pass this information that if have new GSR's to please inform them to attend our new GSR Orientation at 5:30 pm before our monthly area meeting.

Thank You

In loving service Mario M.
