Asking Your Group
to
"ADOPT A PANEL"

Your homegroup can practice unity in **carrying the message of experience, strength, & hope** into treatment & lockdown facilities!

★ We have more facilities asking for the message of NA than we do people!

Every month we get an hour with these newcomers to plant a seed.

"We keep what we have by giving it away!"

The process is simple:

1. Group decides to take a panel
2. Elect a representative to attend our committee
3. The person gets voted in as an H&I Liaison

Success! Your homegroup adopted a panel!

★ H&I will walk you through every step of the way!
